July was

HOT HOT HOT !

Marilyn and Joanna took the State Police ride and then went to Cave in the Rock State Park. On the way home stopped by Schoops as we were meeting to go to the Summer Rally in Pontiac. **The ride to Pontiac was great nice cool morning. All the times I**

have been through Pontiac I never stopped to see how nice of town it is. Nice place to eat and things to see. Next time you have nothing to do it's 1 1/2 hr. ride south on I-55 take a ride to Pontiac. You won't be disappointed.

On that same weekend we also took in the Thershermen Antique Tractor show in Frankfort. For all of you who didn't go, this is the farm that Barb grew up on. It was overwhelming the size of the farm equipment. When you see them out in the fields you don't think about their size but walking next to them it's a whole different experience. It was very hot that day so some of us didn't stay long but I'm sure everyone got an idea of what farm life is like.

Had our first Pak-n-Ride July 26th at Theodore Marsh in Joliet ten chapter members came. It was a nice visit. Of course afterwards we went for ice cream at Walts on Jefferson. I'm sure most of you have heard about the Pokémon game that everyone is playing on their cell phones? Well, it turns out that Walts is a Pokémon stop. So if you are one of the millions that are playing this game, Walts is the place to go to! Pokémon is there!

Coming up in August on the 11th we have a dinner ride at Champs Restaurant in Orland Park. 6:00 pm Chapter R Surprise Run is August 14th , We will talk about what time and where we will meet.

For those that are thinking about going to the Teddy Bear Ride, it's August 21st. Chrissy and I are not going to this. Instead we are going on a ride that is in memory for a fallen police officer. The monies collected go to the Tinley Wish Foundation. We will talk about this at the meeting also. It is \$20 for the driver, \$5 more for the passenger. This includes dinner at the American Legion.

With Labor Day fast approaching there will be a lot of fests going on in the towns around us. If there is one you are thinking of going to mention it at the meeting or send an email out. Someone in the chapter might want to go. Let's enjoy this weather even though it is hot. Before you know it our bikes will be put away for the winter.

FROM THE CHAPTER MEC

LINDA WOJCIECHOWSKI...

I hope everyone has enjoyed some of our recent activities. Looking ahead there are a few things we might enjoy doing. Marilyn has given me information about Taltree Arboretum in Valparaiso. The garden paths are very nice, but the Railway Garden is something to see. This would make a lovely fall ride.

CD& Me is located in Frankfort at 23320 LaGrange. They have Thursday night concerts for a \$7.00 general admission fee. Upcoming concerts that we might want to check out include, August 25th, One of These Nights. This Is an Eagles tribute band. On Thursday, September 29th Hillbilly Rockstarz is performing. The seating is first come first served and tickets can be purchased at the door. If our group is more than 10, I can call ahead for tickets.

Finally, The Paramount in Aurora is presenting Under The Streetlamp Sunday, November 6 at 3 P.M. "Former Jersey Boys cast members will take us along an electrifying ride through the American radio song-book". Tickets for this show are \$49 or \$59, We will need to purchase tickets in advance for this show.

I will have sign-up sheets at the meeting for these activities.
